

Latchkey Notification 8/27/2018

Closings/Delays Due to Weather or Emergencies

In case of inclement weather, please watch TV channels 2, 7, and 22. Cancellation information will also be available on Sidney City School's website: <http://www.sidney.k12.oh.us.schools.bz>. Sidney City Schools will also be using the automated call system to inform families of cancellations.

If school is closed, Latchkey will also be closed. Parents will be credited for this day in the event of a cancellation.

If school is on a delay, the Latchkey program will **not** delay and will open at 5:30am.

If school is on a delay and then closes, The Latchkey program will be open all day until parent/guardian pick-up time. In this event, lunch will be provided for students.

If there is an early dismissal, the Latchkey program will NOT run the PM session. This includes scheduled early dismissals and weather early dismissals. (*Revised 07/24/18*)

This is copied from the Student/parent handbook. **To clarify:**

- District heat releases are early releases. We will not have PM Latchkey.
- ANY early dismissal means that there will not be a PM Latchkey that day. (Parent/teacher conferences, 30 min. early dismissals, 2 hour early dismissal days for Teacher Prof. Development days, anything scheduled.)
- If school closes right away, we will not have Latchkey. This means that if you are notified of school closing before 5:30am, we will not have Latchkey.
- If we have a 2 hour delay, we will open at 5:30am.
- If the 2 hour delay goes into a cancellation after 5:30am; we will be OPEN all day if you wish to keep your student at Latchkey.
- Bussing to Latchkey sites from the student's home school will not be available in the event of an early release. Busses will only run if Latchkey is in session that morning or afternoon.
